Portable welding frames & bespoke booths and curtains

The necessary solution for employee protection.

The professional choice for companies that take pride in their workspace. Two 1100mm wide pivoting arms can be rotated through 180 degrees, allowing a three sided welding area to be created. Heavy duty castor wheels, 2 of which are lockable, allow full mobility. The 500 kit consists of three packs of EN1598 welding strips, available in red or green. Each pack consists of 5 strips that fasten
